THE ARCHITECT HERE.

A Modern and Up-to-date Department Store to be Erected.

Messrs J. H. Anderson & Co., expect to begin the erection of their magnificent three-story Department house as soon as possible. As stated in these columns just after the purchase of the three lots on Main, between Eighth and Ninth, Messrs Anderson & Co. will put up a building that will be an ornament to Main Street. It was said that it would require a year's time to complete the building.

Plans have not yet been decided upon, but a prominent architect of Nashville, has been in the city this week taking the "lay of the land" before beginning his drawings. He has caste blanche to make the building a beauty as to architecture and at the same time include every convenience necessary to make the interior modern and attractive.

This is only one of the buildings to go up in Hopkinsville this year and 1907 will be as notable, almost, as 1906. The business of J. H. Anderson & Co. has grown so rapidly in the past decade that, though now occupying threestore rooms in the Trice block, the floor space is entirely inadequate for the transaction of the business of the firm.

LONG ILLNESS

Causes Death of a Well Known Citizen.

Mr. George Washington McGee, an aged citizen of the Bennettstown neighborhood, died yesterday morning at eight o'clock. He had not been in good health for about two years and was a sufferer from Bright's disease of the kidneys. Mr. McGee was born Aug. 9, 1828, and was, therefore, in the 79th year of his age. He had been a member of Little River Baptist church for a number of years and was a man who enjoyed the esteem of all who knew him. He is survived by six children, five sons and one daughter. One of his sons, Mr. Tandy D. McGee, resides in this city. His wife died about five years ago. The interment took place at the Thomas burying ground, near Bennettstown, at one o'clock this afternoon.

GOES TO TEXAS.

Mr. Chas. H. Nash to Leave Hopkinsville.

After staying at the same place for ten consecutive years, Mr. Chas. H. Nash has determined to leave Hopkinsville and locate permanently in Texas.

Mr. Nash entered the drug store of R. C. H. J. when he was only 15 years old. He meant business at the start and by thorough application and study he now stands in the front rank of the prescriptionists of the State. Strictly moral and honorable he has won the confidence and esteem of the thousands he has served, and his career is worthy of the emulation of our younger men starting in the world's busy whirl of business. He is a safe young man and the people of Belton, Texas, with whom he is to cast his lot, may bank on him as being all that is upright and true. He goes to that place as manager of the Belton Drug Co. Everybody wishes "Charley" a bright and prosperous future.

STREET CAR STRIKE IS ON

Louisville People Are Walking On Account of Labor Trouble.

VIOLENCE REPORTED.

Business Men Are Trying to Bring About a Compromise.

Louisville, Ky., March 13.—Following a conference of representatives of Louisville commercial organizations with Mayor Barth and a subsequent conference with President Minary, of the Street Railway Company, yesterday afternoon it became known that the business interests of the city would strive to bring about a settlement of the differences between the railway company and its striking employes through the agency of an intermediary committee. Strike-breakers arrived in considerable numbers from other cities yesterday, and Supt. Funk said last night that he thought he would be able to give comparatively good service at least part of today. Rain and increased police vigilance kept the streets pretty free from mobs yesterday, although the half-hearted attempts to operate cars were abruptly discouraged by strike sympathizers. Numerous arrests followed the holding up of cars and the assaulting of railway employees. Business was paralyzed yesterday and the displeasure of the people was expressed to the authorities of the city and company through the business men. The strikers made noisy demonstrations last night.
